It's time for another round of the latest news from Apple with [Dave Marra](#)! It's safe to say that there is no chance you'll walk away from this meeting without learning something

about how Apple's new OS works.

Known for his dynamic delivery style and exciting demos, Dave Marra has conducted thousands of technology presentations, keynote addresses and

workshops for schools, and computer user groups, businesses and other professional organizations across the United States and Canada.

Discover Lion OS X - The world's most advanced desktop operating system advances even further. Packed with over 250 new features, OS X Lion includes new Multi-Touch gestures; system-wide support for full screen apps; Mission Control, an innovative view of everything running on your Mac; the Mac App Store, the best place to find and explore great software; Launchpad, a new home for all your apps; a completely redesigned Mail app and much more! Discover OS X Lion today!

Visit our website for directions to the Belhaven Middle School.
